

SOUTH END POSTED STREET SWEEPING REGULATIONS CHANGES SCHEDULED FOR MARCH 2012

The Boston Public Works Department (PWD) will be implementing a new schedule of street sweeping days for the South End neighborhood starting in March of 2012.

The goal of the alterations is to provide mechanical street sweeping services to more closely follow your residential trash and recycling collection days. This will alleviate much of the litter generated by the weekly residential trash collection in a faster and more efficient manner.

- PWD will be changing the day schedule of street sweeping on many streets in the neighborhood
- The street sweeping program has also been expanded to include the months of March and December. Posted street sweeping with enforcement will take place from March 1 through December 31.
- The Boston Transportation Department is currently making the necessary changes to the posted sweeping signs on the affected streets to reflect the new street sweeping schedule on your street which will begin March 1, 2012. Please note that the current posted hours will not be changed.
- As always, please refer to the posted signs on your street for the specific days and hours of the sweeping schedule. A full list of the sweeping schedule is available at www.cityofboston.gov/publicworks.
- Beginning on March 1, 2012 the posted street sweeping schedule for West Brookline St from Tremont St to Warren Av will change to

Side	From Time	To Time	Day	Weeks
Odd	12:00:00 PM	4:00:00 PM	Wednesday	1st, 3rd, 5th
Even	12:00:00 PM	4:00:00 PM	Wednesday	2nd, 4th

Please note that several months will allow for a 5th week of posted street sweeping.

- Residents can assist by observing the posted regulations and following the guidelines for proper trash and recycling placement at curbside. Comprehensive Public Works information is available at www.cityofboston.gov.
- Residents can also register for street sweeping schedule electronic notifications and reminders by accessing the NO-TOW link at the City of Boston web site. You can also call the Mayor's Hotline at 617-635-4500 for sweeping information.

The Boston Public Works Department is continuing to explore more effective means of basic City service delivery in your neighborhood.
